

# Emma Renée Campbell

## Experience

### **Jewelry Designer** | Mar. 2023 – July 2023, July 2024– Present

*Lele Sadoughi, New York, NY*

- Ideates and conceptualizes for core seasons, as well as capsule collections for brand collaborations, performing trend, visual, and vintage research for each development to create styles authentic to the Lele look
- Manages multiple categories, primarily jewelry, but also designs chain belts, hard hair like clips and barrettes, and specialty headbands
- Develops spec sheets for designs, ensuring accuracy and precision in the design process; communicates with the factories regarding sampling

### **Associate CAD Technical Designer** | July 2023 – July 2024

*James Avery, Kerrville, TX*

- Used multiple 3D CAD programs to develop spec sheets and support tooling
- Operated and utilized 3D printers, scanners, and mills for generations of rapid prototyping, training other associates on 3D printing set up and postprocessing
- Analysed and inspects gems, components, and full pieces, and helped develop the reporting process for records published both internally and for the vendor

### **CAD Jewelry Designer** | Jan. 2023 – July 2023

*Seema & Co., Frisco, TX*

- Worked closely with clients to understand their vision and bring their ideas to life from sketch to finished product
- Created CAD models using Rhino 3D and ZBrush, received and evaluated waxes for production

## Additional Activities

### **Peer Tutor** | Sept. 2020 – May 2021

*SCAD Jewelry Department, Savannah, GA*

- Assisted students with brainstorming, editing, and developing successful projects and growing in their creative careers
- Worked one-on-one with SCAD students from a variety of disciplines

## Awards & Honors

- (2022) — IDA international Design Awards Silver Winner
